

Capability Statement

CORESIVITY

Envision. Plan. Achieve.

VA verified SDVOSB & MBE; California certified SBE, DBE & DVBE

CORE COMPETENCIES

Coresivity Inc. provides Personal Protective Equipment (PPE) sourcing through our global partner. We source from Vietnam, Korea, and China. We strive to work directly with factories resulting in lower prices to our clients. Our products are appropriately registered and certified.

Coresivity operationalizes excellence facilitating compliance with government regulations, alignment to industry standards, and adoption of best practices.

Our technology experts and business professionals analyze, research, design, and implement solutions in the areas of:

- Quality Management & Management Consulting
- IT Service Management, Cybersecurity
- Purchasing and Real Estate

COMPANY DATA

Coresivity provides products and services to federal, state, and local government agencies and departments. Our mission is to enable our client's missions ethically, operationalize excellence, and be inspiring citizens.

Coresivity – our name evokes our core values of ethics, integrity, and diversity.
